Consular Section**

Note Nr.: 21/2023

The Embassy of the Argentine Republic -Consular Section- cordially greets the Municipality of **Amsterdam** and has the honor to refer to the validity of digital legalizations, Birth, Marriage and Death Certificates issued in Argentina.

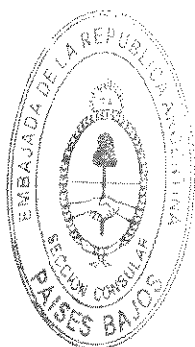

In this regard, the Embassy kindly informs that in the course of the last year, the documents that have stamps and original signatures of public officials in Argentina, may be legalized digitally and print this legalization at home. The authenticity of the aforementioned legalization can be verified through the link provided in the document, entering the unique number indicated. In addition, the scanned documents have an additional page indicating that they have been processed by the GEDO system (Electronic Generator of Original Documents).

Likewise, in Argentina, Birth, Marriage and Death Certificates are not issued in original format for people residing abroad. The interested party requests his departure and this is sent in a file in PDF format where it can be printed at home, said document must be accompanied by its respective legalization with the GEDO system (Electronic Generator of Original Documents). You can verify its validity in the online portals of the province.

Having gone through this process, the document is ready to be legalized by the Ministry of Foreign Affairs, International Trade and Worship of Argentina with an Apostille. And according to the aforementioned system, this legalization carries a unique number that can be verified digitally, which makes it an official document and can also be printed at home.

The Embassy also informs that the legalization of documents carried out by the Argentine authorities is fully in accordance with the 1961 Hague Apostille Convention and, therefore, the documents have the right to be recognized by the signatory countries of said Convention.

The Embassy of the Argentine Republic -Consular Section- takes this opportunity to renew to the Municipality of Amsterdam the testimony of its highest consideration.
